Section 4: Patient Attestation

By signing the below, you, the Patient, attest and certify that:

- The information provided in this application and any additional information provided as a part of the application process is current, complete and accurate to the best of your knowledge.
- You cannot afford the medication requested and: (1) have no coverage; (2) have no coverage for the medication for which you've applied for support under the Program; or (3) have coverage for the medication but have an out-of-pocket expense you cannot afford.
- You will not seek reimbursement from any insurer or government program for any medication dispensed from the Program and you will immediately notify the Program if the medication requested is/are no longer medically necessary or if your insurance/financial status has changed.

In addition, by signing the below, you, the Patient, understand and agree that:

- Any medication supplied as a result of this Application is for your use only, and shall not be sold, traded, bartered, transferred or returned for credit. No claims involving this medication shall be submitted to any third party (such as Medicare, Medicaid, Veterans Affairs or any other public programs) for reimbursement.
- Completing this Application does not guarantee that assistance will be provided to you.
- The information provided in this Application is subject to random audits and verification. During such audits and verification processes, you may be asked for additional supporting documentation.
- BI Cares may change this Program at any time and reserves the right to terminate your enrollment at any time due to lack of eligibility or related factors.
- The medication made available to you under this Program may be denied if you do not fully cooperate with efforts made to verify the information provided in this application, or if you do not take steps to secure other forms of payment for your medication after being notified of other programs for which you may be eligible.

BI Cares is not obligated to verify any of the information contained in this Application or to confirm other medications that you are taking.

By signing below, I give my permission to share my personal information with Boehringer Ingelheim Cares Foundation, Inc., its representatives, agents, and other third-party partners supporting the administration of the Program, who may contact me with follow-up inquiries and who may report my personal information to health authorities to comply with applicable rules and regulations.

Patient Authorization to Share Health Information

First Name: _____ Last Name: _____

By signing the below, I give my permission to my healthcare practitioners, pharmacy providers, health plan, and insurers to share my personal and health information with BI Cares, its representatives, agents, and other third-party partners supporting the administration of the Program (collectively, "BI Cares and its Partners"). I understand my personal and health information may include, but not be limited to, my medical condition, treatment, care management, health insurance, medication history, and prescriptions (the "Information").

I give BI Cares and its Partners authorization to use and further disclose the Information for the following purposes:

- To process my application for the Program, validate the information provided in this application, and verify my eligibility for participation in the Program, investigate and verify my insurance benefits and/or identify other patient assistance resources.
- To notify me if I do not meet the eligibility requirements or if there are any changes to the Program.
- If eligibility is confirmed, to facilitate my participation in the Program, which will include the dispensing and delivery of medication.
- To assist in the general administration of the Program and conduct any additional services described above and related to the Program.
- To comply with applicable rules and regulatory requirements related to safety information received in the course of administering the Program, where such information is collected in the interest of patient safety. Such information will be filed in a global database and the information may be reported to regulatory authorities. Boehringer Ingelheim will retain the data as long as required by applicable rules and regulations.

Without limiting the purposes for the use and disclosure of the Information set forth above, I understand:

- BI Cares and its Partners respects your privacy and implements safeguards in an effort to keep the Information confidential, but the Information released under this authorization may no longer be protected by state and federal privacy laws and that the Information may be lawfully re-disclosed by recipients.
- That I may cancel this authorization at any time by giving written notice to BI Cares at the address noted on this application, but my cancellation will only apply to future use of the Information and not change any actions taken before my canceling.
- That I have a right to receive a copy of this authorization from my healthcare practitioner and/or BI Cares, and that I may inspect/obtain a copy of the Information disclosed pursuant to this authorization.
- That I can refuse to sign this authorization and it will not impact the way my healthcare practitioners, pharmacy providers, health plan, and insurers treat me, but if I do not sign this authorization, I will not be able to participate in the Program.
- This authorization is valid from the date of execution and will expire at the end of my enrollment in the Program or the date I am notified I am ineligible for the Program, unless I revoke my consent per the terms of this authorization.
